Congratulations on receiving an Excellent Score on your latest ASI Food Safety GMP Audit!

We take pride in doing our audits and serving our clients. Please feel free to forward to your webmaster to “copy” “paste” and add the hyperlink seal of certification below on your website, for your current certificate. This will allow you to advertise that you earned an Excellent Score on your ASI Food Safety GMP Audit.

The seal represents pride for all the hard work that you as a company do for the public’s safety and for their families.

Again, we congratulate you and look forward to conducting your food safety audit again in the future.
